WHAT IS GAMKA

GAMKA BUILDING ANSWERS GAMKA RENTING ANSWERS

Our slogans, **BUILDING ANSWERS and RENTING ANSWERS,** clearly announce our mission. For more than three decades, since 1986, we have been distributors of building materials, construction supplies and construction equipment used especially in concrete construction. Gamka sells and rents small to medium sized construction equipment to contractors and municipalities in NJ. That is our marketing niche. We are family owned and operated. Because landscape contractors use compactors, geotextiles, demo saws, diamond blades, etc. too, we provide outdoor power equipment and products by Husqvarna to broaden our appeal to them. Gamka services landscapers, tree surgeons, property managers, arborists and homeowners for their lawn, shrub, garden, and tree maintenance requirements throughout New Jersey.

To be a **FULL SERVICE DISTRIBUTOR** means much more than selling building and construction supplies and renting construction equipment. Gamka fully qualifies with a complete repair and parts department to do equipment upkeep and warranty work. Gamka is centrally located in Edison, NJ. Customers are welcome to come by our showroom to pick up and drop off. If deliveries are needed, Gamka will be at your doorstep or job site using our trucking fleet. When you need building and renting answers, think of Gamka first!

We pride ourselves on knowing in-depth the products and brands that we sell. We know what works and know what seems to be smoke and mirrors. We have been doing this for a long time and have many years of combined knowledge and experience. We have a large selection of equipment rentals and specialty rental items as well. Give us a call and let our experience guide you to the best solutions. Unlike the big box stores, Gamka will be there for you when service or parts are required for your equipment. We do warranty work too. If you got it from us, we will take care of it and you. Gamka sounds funny but what we do is not. Come to think of it, Gamka does sort of roll off your tongue. Contact Gamka for your building answers.

Our own truck fleet covers the state of New Jersey, metropolitan New York and Philadelphia from our 60,000 square foot warehouse, service and parts department and showroom in Edison, NJ. Under our roof are more than 50,000+ line items including light to medium equipment, construction chemicals, hardware, safety and supplies. We stock a huge inventory of Husqvarna outdoor power equipment including chainsaws, lawn mowers, snow throwers and more. We rent over 1,900+ pieces of equipment. There are over 13,000+ parts in stock and our service department repairs what we sell and rent with factory trained technicians. Gamka concentrates serving our clientele in the sixteen northern counties of New Jersey and the bordering counties of metropolitan New York and Pennsylvania. Let us help keep your project on schedule. **Call us today at 732-248-1400, send an e-mail to sales@gamka.com or fax to 732-248-1445.**

Gamka's large showroom is open Monday through Friday from 6:30 AM to 5:00 PM and by special appointment. Visit www.gamka.com for a good look at what Gamka can do for you.

SEE PAGE 11 FOR COMPLETE RENTAL DETAILS

RENTAL TERMS

Most equipment featured in this catalog is offered for rent on a daily, weekly or monthly basis. However, some items may require a minimum rental term of 1 week or more. All rentals and purchases are subject to any applicable taxes. Customers not holding a credit account will be required to pay in advance for the rental and any supply items purchased. Additional deposits may also be required, depending on the type of equipment rented. Two forms of identification are required from all non-credit account customers, preferably a current driver's license and a major credit card.

RENTAL CHARGES

Rental Charges are based on an 8 hour day, 40 hour week, 160 hour month. For Invoice purposes a standard rental month is 4 weeks. Double shift rates at 1.5x the single shift charge, triple shift rates are 2x the single shift charge. Customer must call to notify us of Off Rent and if needed, schedule a pick up.

ROUTINE MAINTENANCE AND CLEANING

Routine Maintenance (such as changing oil and filters) is the Renter's responsibility. Rental equipment with "C" in the right hand column is subject to cleaning charges at $150 per hour if not returned as received. Customer is responsible for tire damage and or flats, excluding normal wear. All equipment must be returned in the same condition as when rented.

INSURANCE

The Renter must provide Gamka with a Certificate of Insurance naming Gamka as an "Additional Insured" for General Liability and "Loss Payee" for rental equipment. Beyond Liability Insurance, Rental Equipment Coverage is required or the Renter will be charged for a "Physical Damage Waiver". Ask Gamka for full insurance requirements.

EXTENSION CORDS, 10/3, 100' LONG	$18.00	$35.00	$65.00		
AIR HEATERS, INDIRECT FIRED (VENTED) An indirect fired heater uses a heat exchanger where the heat source is contained in the unit. A fan blows over the outside of the heat exchanger, redirecting heat away from the unit and out into the area to be heated. This type of heater is most effective with recirculation, but it can also be used in a pressurization setup. They produce clean air without emitting carbon monoxide, which improves working conditions. Indirect heaters do not generate moisture, so completed work at the jobsite is not affected.

GENERAL INFORMATION

OPERATING HOURS

Standard business hours at Gamka Sales are from 6:30 am to 5:00 pm Monday through Friday.

RENTAL TERMS

Most equipment featured in this catalog is offered for rent on a daily, weekly or monthly basis. However, some items may require a minimum rental term of 1 week or more. All rentals and purchases are subject to any applicable taxes. Customers not holding a credit account will be required to pay in advance for the rental and any supply items required. Additional deposits may also be required, depending on the type of equipment rented. Two forms of identification are required from all non-credit account customers, preferably a current driver's license and a major credit card. Acceptable forms of payment are cash, check or major credit card. We accept MasterCard, Visa, Discover and American Express. Customers who rent on a frequent basis may be eligible for a credit account. The credit application is available online. Download and complete the credit application and fax it to 732-248-1445 or stop in and drop it off.

RENTAL CHARGES

Rental Charges are based on an 8 hour day, 40 hour week, 160 hour month. For Invoice purposes a standard rental month is 4 weeks. Double shift rates at 1.5x the single shift charge, triple shift rates are 2x the single shift charge.

ROUTINE MAINTENANCE AND CLEANING

Routine Maintenance (such as changing oil and filters) is the Renter's responsibility. Rental equipment with "C" in the right hand column is subject to cleaning charges at $150 per hour if not returned as received. Customer is responsible for tire damage and or flats, excluding normal wear. All equipment must be returned in the same condition as when rented.

INSURANCE

The Renter must provide Gamka with a Certificate of Insurance naming Gamka as an "Additional Insured" for General Liability and "Loss Payee" for rental equipment. Beyond Liability Insurance, Rental Equipment Coverage is required or the Renter will be charged for a "Physical Damage Waiver." Ask Gamka for full insurance requirements. Customer assumes all risks associated with the operation, custody and possession of the rented equipment, including but not limited to personal injury, death, losses, damages, rental charges, fine or citation.

PRICES

Prices are subject to change without notice. Call Gamka for items not listed, our rental inventory does fluctuate! No credits will be given due to weather conditions or any unforeseen challenges that may arise.

DELIVERY & PICK-UP

Gamka Sales maintains an extensive fleet of delivery vehicles to provide responsive transport of equipment for our customers at competitive rates. Rental equipment with an "F" in the right hand column are subject to shipping charges each way. Customer must call to notify us of Off Rent and if needed, schedule a pick up.

It is important that User wears all the manufacturer's recommended safety equipment. (PPE-Personal Protective Equipment).

NOTE: The equipment listed in this catalog reflects the most current models and specifications available at the time of print.
